

Struttura: fusto in legno imbottito con poliuretano espanso rivestito con vellutino accoppiato in resinato.
 Molleggio: molle in acciaio.
 Cuscino seduta e schienale: imbottitura in piuma.
 Il rivestimento è completamente sfoderabile.
 Disponibile anche nella versione letto estraibile dotato di materasso in poliuretano espanso e rete ortopedica o in maglia metallica.
 In questo caso viene eliminato il molleggio.

Structure: wooden frame with polyurethane foam padding, resin-backed velveteen upholstery.
 Springs: steel springs.
 Seat and back cushion: feather padding.
 The covers are completely removable.
 Also available in the sofa-bed version, equipped with polyurethane foam mattress and orthopaedic or metal mesh springs.
 In this case the spring system is eliminated.
